FCMA Soft Starter

This is to certify that Innovative Technomics make FCMA Soft starter was used to make a start test on one of our electrical motor in our test facility at Bremen on August 20th, 2010.

Motor :

Make - LDW
Rating - 8000kW,
Supply - 11kV, 3Ph, 50Hz,
Type - Synchronous motor.

FCMA Starter :

Make Innovative Technomics
Type - FCMA
Model - LSC1-8000-H-DC

One start of the motor was done on Friday 20th August, performance of the soft starter was found satisfactory in all respects. Starting sequence was exactly what Innovative Technomics scheduled with a constant starting current during all the starting time, at nominal current and in the timing calculated. This trial was taken as part of the order of 3 numbers of motors, soft starters and reciprocating compressors for a refinery in India.

With kind regards,
